

CORE VALUES: Safety, Reliability, Commitment.

These are the values that play a central role toward our present and future success. We've set our sights for achieving a clear understanding of our customers' needs, and continually aim to provide the best value and best-in-class customer service in the air cargo industry.

We are committed to:

- A high level of safety
- Efficiency
- Operational Excellence

SERVICES

Charters

StratAir has at its disposal a fleet of Boeing 767-300F, 737-400F and 737-300F aircraft. We operate a mix of scheduled and charter services to supplement capacity to key import and export destinations through North America, the Caribbean, South America and Central America.

Special Cargo

StratAir can handle a variety of special cargo to fit your needs, including live animals, dangerous goods, perishables, pharmaceuticals and oversized commodities.

Ground Handling Services

StratAir offers a full range of general or standard ground handling (SGHA) services to our airline partners.

Warehousing

StratAir houses over 10,800 square meters, or 120,000 square feet, of warehousing space. Our warehousing services support both import and export needs. Our facilities are bonded, with multiple dock-height loading doors and ramps, and we offer three different cooler services.

ADDITIONAL SERVICES

- Aircraft Lease – ACMI / Full Charters
- Oversized Cargo
- Airline Pallet Build Up – All Size Aircraft
- Nationwide “Inland Freight” Logistics / Distribution
- Local Airport Transfers

SHIP WITH STRATAIR AND BENEFIT FROM:

- One air waybill, one carrier convenience
- Specialists in oversized cargo, dangerous goods, live animals, perishables, pharmaceuticals and secure shipments
- Unknown shipper cargo acceptance
- Freighter, GSA and Partner stations throughout the US, Caribbean and South America
- Full CCTV coverage and 24-hour security
- Direct ramp access
- Direct AOA access
- Large vehicle access and parking
